Please fill out this form and turn it in with any games you are donating for the auction. For **Condition**, use the BGG Geekmarket guide: <https://goo.gl/RbjrYM> If a condition is not entered, we will assume the game is in Very Good condition. **Starting Bid** is a minimum amount you'd like to receive for the game. Leave blank if any amount is acceptable. If you'd like 100% of the proceeds for any particular game to go to charity instead of earning store credit, check the **100% Charity** box. Please also include any other notes or details, like painted minis, custom insert, condition specifics, special edition details, etc.

Bring games to The Gaming Goose in DeKalb or Elgin by Monday, 11/2. The Auction runs from 7pm on 11/6 to 11:59pm on 11/13 (Central Time). See the event page for more details.
